We are continuing to monitor the situation regarding COVID-19 and strive to do our best to support you during these uncertain times. We are facing something entirely new and it raises questions around what our ministry work looks like during a time of social isolation and distancing.

Regarding scheduled events, please refer to the list below for the current updates. We expect more updates to follow.

SPRING EVANGELISM CONFERENCES

British Columbia Spring Evangelism Conference (May 23): this is postponed with further updates regarding rescheduling to follow.

Alberta Spring Evangelism Conference (June 6): this is postponed with further updates regarding rescheduling to follow.

Quebec Spring Evangelism Conference (June 13): this is postponed with further updates regarding rescheduling to follow.

Saskatchewan Spring Evangelism Conference (June 27): this is postponed with further updates regarding rescheduling to follow.

Ontario Spring Evangelism Conference (July 11): this is postponed with further updates regarding rescheduling to follow.

CHAPTER MEETINGS

Chapter meetings should be suspended at this time. However, where there are opportunities to meet via phone or video conference calls, you are encouraged to do so. We encourage opportunities for connection and encouragement, even though it won't be in person.

For your convenience, we have attached a [guide](#) for hosting online meetings via Google Hangouts.

FUNDRAISING EVENTS, GOLF TOURNAMENTS, BANQUETS

At this time, we do not feel that we have enough clarity or approval from the various provincial governments regarding organizing events of any nature. Social distancing and mandated safety precautions vary from province to province and we must adhere to their directives at this time. We do not recommend initiating event planning at this time for the health and safety of our members and donors.

REMINDER: PUBLIC SCRIPTURE DISTRIBUTIONS

Please refrain from participating in any public Scripture distributions for the immediate future. At this time and with prudence and discretion, please suspend one-on-one personal evangelism unless it is over the phone or online.

Regarding Scripture placement (hotels, prisons & hospitals), please inquire those individual institutions regarding their openness given the current climate. Given the current situation, Scripture placements may have to be delayed for a few weeks.

Thank you and we will be in touch again next week! Thank you for keeping the ministry in your prayers, and thank you for your understanding as we walk through this together.
